

Pack the Knapp

December 8, 2016

Dear Parents,

Today, we were excited to have your child and their class attend the Drake Women's basketball game against Clarke University at the Knapp Center on our campus.

This game is a great opportunity for your child's teacher to talk about showing character through teamwork, determination and sportsmanship. Teachers may also use examples from the basketball game in subject areas like math and science.

When you ask your child about the game, it keeps the learning going at home! Here are some ideas for questions you might ask:

- Before the game, what did you think would happen?
- What did you like best about the game? Why?
- How did you feel when you watched the singer perform our national anthem?
- Tell me about a time when a player showed respect?
- Did you think the players were fair? Why or why not?
- How can you show fairness to your friends?

Thanks for taking an active part in your child's education!

Sincerely,

Georgia Sheriff, Ph.D.
